

The is the proposed parade route. All entries will line up at the north end of the campus, facing south. Parade begins at 5:00 pm.

When the parade begins, all entries will follow the route by entering the circle drive, stopping in front of the high school, where the judges will be stationed, and again in front of the elementary. This time is used for any performances you may have.

Those who are involved in more than one entry, will be shuttled (via golf carts) from the south end of the parking lot, back to the north to join the next entry.

All entries are encouraged to bring candy to throw (gently) to the crowd. Recommended, not required.

The Booster Club will be providing prize money to the top three entries. Awarding \$300, \$200 and \$100. They will also be providing a hot dog meal free of charge, after the parade.

Other details include kids games, bounce house, and the Scholastic book fair. All taking place in the school.

Feel free to ask if you have any questions!
