

Chess Club

Starting October 15th, the Centura Extended Learning Program will be offering a 4-week Chess club that will meet on Monday's. The club will run after school from 3:45-4:45 October 15th, 22nd, 29th, and November 5th. This club is open to all students in 2nd – 8th grades.

The Chess club will be an opportunity for all chess experience levels from the novice to the experienced to join in and have some fun. Chess is a great strategy game that forces players to think critically and create strategies to win.

We are accepting up to 20 students for this club and you **DO NOT** have to already be a part of our CELP after school program. Transportation will need to be provided by the family. If the club goes well, we will extend it past the 4 weeks.

Please complete the form below and return to school by Thursday, October 11th.
