

Chess Club

Starting November 26th, the Centura Extended Learning Program will be offering another 4-week Chess club that will meet on Monday's. The club will run after school from 3:45-4:45 November 26th, December 3rd, 10th and 17th. This club is open to all students in 2nd – 8th grades.

The Chess club will be an opportunity for all chess experience levels from the novice to the experienced to join in and have some fun. Chess is a great strategy game that forces players to think critically and create strategies to win.

We are accepting up to 20 students for this club and you **DO NOT** have to already be a part of our CELP after school program. If you weren't in chess club the first time, you have first choice. This way we can allow some new kids to learn how to play. Transportation will need to be provided by the family. If the club goes well, we will extend it past the 4 weeks.

Please complete the form below and return to school by Friday, November 16th.

____ Yes I give my student permission to be a part of this club

Student Name: _____

Parent Signature: _____

Date: _____

Skill Level- please check which would apply

_____ Beginning
