

AxisPlus Benefits and Centura Public School District have been hard at work implementing some exciting new changes to our program.

AxisPlus Benefits has upgraded your FSA platform and we're positive you're going to love it. Some of the new features include a completely redesigned consumer portal, a brand new mobile app loaded with more features and tools for you, plus much more. Here are two important items you need to know regarding the upgrade:

Beginning September 1, 2020 to access your new account details you will need to go to portal.myaxisplus.com. **Please note that this is a different web address than if you**

If you have a 2019/20 FSA you will want to spend your remaining balance to ensure no funds are forfeited. You can submit claims through your old account via online

have participated in the past. You will receive a welcome email shortly with more information about logging in.

(myaxisplus.com), paper form, fax, mail, and email. Beginning September 1, you'll submit claims via online at portal.myaxisplus.com, paper forms via email, fax or mail, and our new mobile app.

Thank you for your email to AxisPlus Benefits— Because we at AxisPlus Benefits understand and share your desire to protect your personal information, we provide many options for you to submit your documents. While you may choose how to send your documents, we recommend that instead of sending them by email, you use one of the following secure methods of transmission: (1) our secure portal link (<https://upload.myaxisplus.com/>) or (2) by logging into your account at myaxisplus.com and uploading documents or (3) by fax at 801-878-0671. We recommend using one of these secure methods because we cannot guarantee the security of emails that you send to us using your own email provider and system. (We do use a secure email system when we send account specific details to you, however, so those emails are secured.)
