

Covid Specific Safety Protocols for visiting Northwest High School

Softball:

Athletes:

- Masks are not required by NW at outdoor events. We would strongly encourage masks in times when social distancing is impossible.
- We will not be providing locker rooms, please come dressed and ready.
- Meals: we do not have the ability to let teams set up "buffet campouts" like is customary. Please bring pre-packaged food for athletes.
- **Please: Self Assess for symptoms, wash hands frequently, social distance when possible.**

Fans:

- Self assess for symptoms prior to attending events at Northwest.
- Social Distance when possible. Families may sit together, please keep 6 feet of distance between groups.
- Masks are strongly encouraged, but not required. (Please wear a mask when social distancing is not possible.
- We will not have separate entrances/concessions/restrooms
- Students: if you are not socially distant/sitting with your family, you must wear a mask.
- Elementary students must sit with their families.
- Opponent administration is responsible for visiting crowds.

Programs: Programs will be available via QR codes only. We will not be printing programs.

Balls: Both teams (while playing defense) will retrieve their own foul balls.

Handshakes: As it has become customary, we will not be shaking hands with opponents.

Water: We will not be providing water, please plan accordingly.

The Varsity games will be available on: Gamechanger to follow along. Potentially we will have FB Live, if so we will make sure and communicate that information with opponents as well.

Questions: please contact Matt Fritsche: mfritsche@ginorthwest.org
