

AR HOME CONNECT

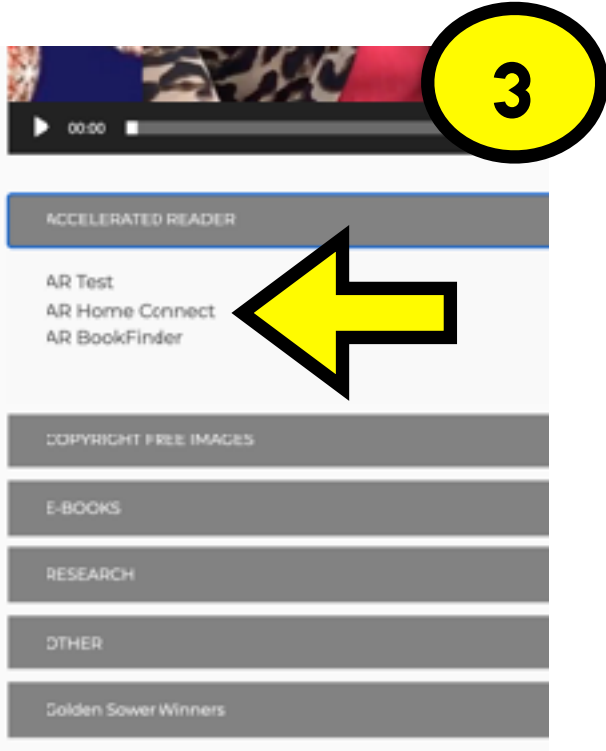

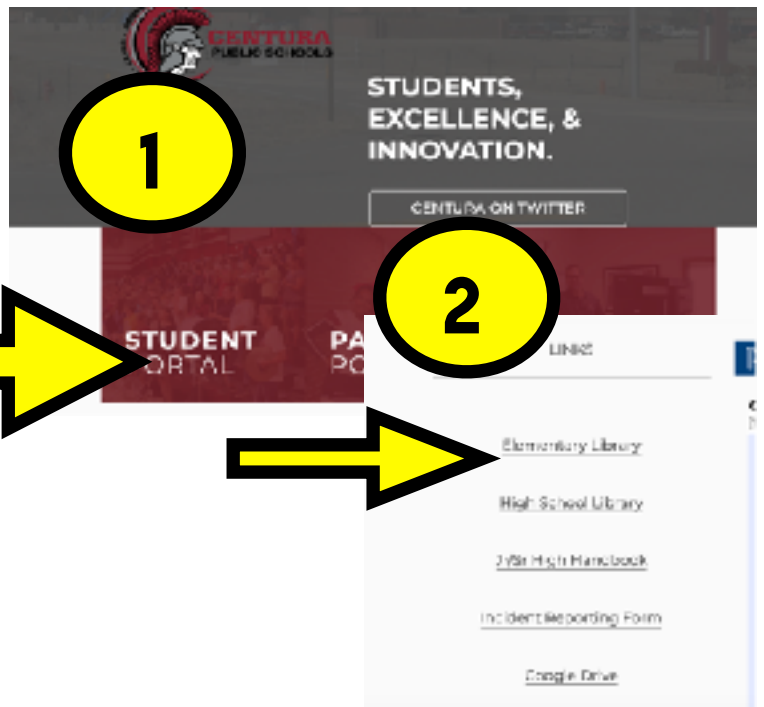

Would you like to see what your child is up to with their reading goals?

Here is a guide on how to use the AR Home Connect, featured on the school's website.

First, go to the home page at www.centuraps.org

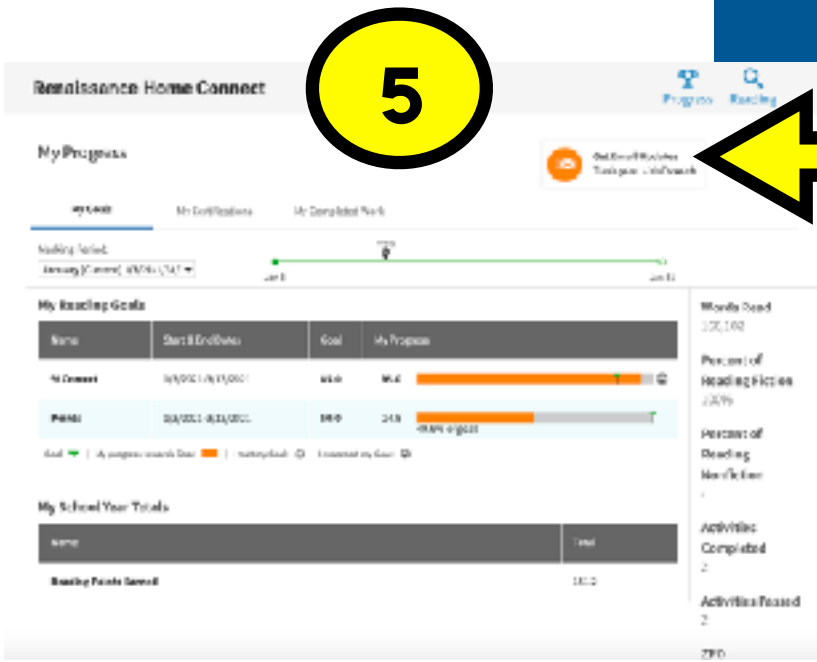

Click on "Student Portal"

Then go to "Elementary Library"

From here, click on "Accelerated Reader", followed by "AR Home Connect".

The "user name" is your child's lunch/library number. Your child can help you with that, if not please feel free to call the school, we would be happy to help. The "password" is your child's grade/teacher initial, for example... 1b, 2h, 3b, 5k, etc.

On this page you can sign up for emails, to be notified when your child completes a test!

On this page you can also see:

Books they have tested on and more!
