

New Student Enrollment for the 2022-2023 School Year

Centura Public Schools new student online enrollment will begin June 1, 2022 for the 2022-23 school year. The following students must enroll through the online process:

- Students new to Centura district
- Students who have left our district and are returning
- First time enrollees into Centura Preschool or Kindergarten should complete the online enrollment form.

Please note you do NOT have to enroll your child if your child attended Centura the previous term, including students that attended school year 2021-22 as a preschooler or kindergartner.

If you are optioning into the district, option paperwork will also need to be completed during the enrollment process.

Please use this link to access the online enrollment form.

Once the Centura District has reviewed the enrollment form, you will be notified via email. Please follow the instructions provided in the email for additional forms/required information for enrollment and other annual information updates.

Returning Centura Students (including Preschoolers/Kindergartners)

Beginning July 11th, the annual beginning of school paperwork will be available to complete in the parent PowerSchool portal. There will be multiple online forms that will be required for each student. Information for setting up your parent PowerSchool account is available through this [link](#) as well as the instructions for accessing forms for your student. Paper forms will not be sent home for your completion, all forms will be submitted online through the parent PowerSchool Portal.

The ELEM and HS office staff will be available for questions Monday through Thursday, 8:30am to 3:30pm. Additionally, there will be evening hours the week prior to the beginning of the year for assistance. All forms must be completed August 8th, 2022 prior to the beginning of the school year.
